## EDUCATION

### KIET Group of Institutions (AKTU)

Bachelor of Technology (CSIT) - **Grades - 86.90%** 2019-present

06 2019 – 06 2023

Delhi NCR, Ghaziabad

### MG Public School

CBSE - Intermediate - **Percentage - 90%**

05 2018 – 04 2019

Muzaffarnagar

### MG Public School

CBSE - High School - **Percentage - 95%**

05 2016 – 04 2017

Muzaffarnagar

## COURSEWORK

- Data Structures & Algorithms
- Operating Systems
- Database Management System (DBMS)
- OOPS Concept
- Web Development

## PROJECTS

### Education Plus

10 2021 – 01 2022

- Technology Used | HTML, CSS, JS, Bootstrap, React JS, MongoDB
- Live chat, Online quiz, Make notes
- Login/ Register user data stored in database

### Text Analyzer

05 2021 – 07 2021

- Technology Used | HTML, CSS, JS, Bootstrap, React JS
- Count characters, words and sentences present in text
- Count how many minutes to read text
- Copy Text, Remove extra spaces and Clear Text

## INTERNSHIP

### Summer Intern at Wipro

03 2021 – 08 2021

Trainee

Remote

- This was training provided by Wipro Talent Next Program where they provided us a learning platform. - Technology learned: Cloud Computing

### Summer Intern at KIET

06 2021 – 07 2021

Trainee

Remote

- This was web development internship where I have learned basics of frontend web designing - Implemented using: HTML/CSS and JavaScript

## TECHNICAL SKILLS

- **Languages:** C, C++, Java, HTML, CSS, JavaScript
- **Database:** SQL, MongoDB
- **Developer Tools:** VS Code, PyCharm, Eclipse
- **Technologies/Frameworks:** GitHub, ReactJS, NodeJS, ExpressJS, Git

## ACHIEVEMENTS

- Solved 500+ Problems based on Data Structures and Algorithms on various Coding Platforms
- Achieved 5 stars in C++ - HackerRank
- Achieved 5 stars in Problem Solving - HackerRank

## CERTIFICATIONS

- Interactivity with Javascript - Coursera 4 weeks
- Introduction to Web Development - Coursera 4 weeks
- Data Structures and Performance - Coursera 6 weeks
- Python - Edx 25 hours
